storages capcity for storing onion in various States and Union Territories of the country.

(3) Market Intervention Scheme (MIS) is being implemented for horticultural crops including onion for providing proper price to the growers on specific requests of State Governments. The Scheme envisages the procurement of the determined quantity of produce at an agreed price for a specific period to arrest downward trend of price and assure remunerative prices to the farmers. Losses, if any, are shared on 50:50 basis between Central and State Governments. NAFED is the central nodal agency for procurement under MIS scheme,
